

# CERTIFICATE

It is hereby certified that:

*GM Pharmaceuticals  
Tbilisi, Georgia*

has been audited against Good Manufacturing Practice (GMP) according to:

*The rules governing medical products in the EC. Vol IV. Good Manufacturing Practice for medicinal products.*

and has demonstrated compliance to all the requirements.

This certificate is based on the audit carried out by Dr K E McCormick of Heathside Information Services Ltd in November 2006 and is supported by the report produced following the audit. It relates to the manufacture of non-sterile dry solid dosage forms.

Kate E McCormick, Ph.D  
Auditor

Michael L McCormick, M.A.  
Managing Director
